

Dear Parents,

As part of a continued move to further develop positive communication links between the College and our current parents, I would like to introduce a regular parents' forum meeting. This will take place once a term where parents can meet with myself and other members of the College to hear about future developments that are planned and also to have the opportunity to suggest positive ways in which we can perhaps improve what we offer in different aspects of College life. Good suggestions will always be listened to, and hopefully implemented, but of course if there are any individual concerns, then they should be raised in the normal way.

I hope you will agree that this is a positive way of engaging our parent body in an open and positive forum for the future development of the school so that we can take these steps together.

The first of these meetings will take place at 6.00pm on Sunday 24th January in the College library. Refreshments will be provided.

Yours sincerely

Ian Hunt
