

Statement of Health & Safety

1. The Trustees of Llandovery College recognise and accept their responsibility as employers for providing, so far as is reasonably practicable, a safe and healthy work place, work practices and working environment for all their employees, pupils and visitors.
2. The Trustees will take all necessary steps to meet this responsibility paying particular attention to the provision and maintenance of proper:
 - a. Plant, equipment and systems of work
 - b. Arrangements for the use, handling, storage and transport of articles and substances
 - c. Information, instruction, training and supervision
 - d. Places of work and safe access and egress
 - e. Environments of safe and healthy working and adequate welfare facilities.
3. Without detracting from the primary responsibility of the Warden and the Bursar for ensuring safe conditions of work, the Trustees will continue to keep under review arrangements for providing competent technical advice on Health & Safety matters where necessary.
4. The Trustees are committed to ensuring that the College operates in accordance with current legislation and where necessary additional resources will be provided to facilitate this.
5. The Trustees recognise the need for the involvement of both teaching and support staff in achieving a successful safety policy, and will co-operate with safety representatives (as indicated in the chain of responsibility) to provide them with such facilities and training as may be necessary.
6. The Trustees will ensure appropriate committee arrangements for the consideration of safety matters.
7. The Trustee responsible for Health & Safety is expected to report to Trustees at general meetings on any significant health & safety matters affecting the College.
8. Employees are reminded of their own duties to take care of their own safety and that of other employees, pupils and other persons who might be affected by their work activities and their duty to co-operate with the Trustees to enable the Trustees to carry out their Health & Safety responsibilities successfully.
9. A copy of this statement is issued to all employees. It will be reviewed and added to or modified from time to time as necessary.
