

PUBLICITY & FILMING

We like to celebrate our pupils' achievements and this means we regularly take photographs and sometimes film pupils. Pictures may be used on the website and in promotional materials and occasionally we are asked by the press and TV companies for photographs or interviews with pupils.

Should you wish your child to be **excluded** from all photography and filming please telephone +44 (0)1550 723000 or email mail@llandoverycollege.com before the start of your child's first term.
