

INDIVIDUAL INSTRUMENTAL & VOCAL TUITION 2010-2011
CHAMBER CHOIR AUDITIONS

Music lessons will be charged at a rate of £14.00 per half-hour session for the forthcoming academic year.

Pupils will be informed of lesson times in advance and are expected to arrive promptly at lessons with their music and, where appropriate, their instrument for every lesson scheduled for them. Younger pupils will be collected by the peripatetic teacher.

Pupils also have a responsibility to practise regularly between lessons.

Fifteen minutes a day can be considered the minimum up to grade 3 standard, with thirty minutes for grades 4 & 5, and forty-five minutes to an hour above that level.

Peripatetic teachers are informed through briefing notes of class trips etc.

Parents must inform visiting staff (through the main reception) of any planned absence one week in advance. If such an absence is the result of a school trip, staff will do their best to make up such lessons, but this is not always guaranteed. There are no other circumstances of pupil absence in which lessons will be made up.

By signing the below form you will agree to pay all invoices immediately upon receiving them. You will also agree to support and encourage your child in daily practising for the lengths of time stated above. Please note that once you have booked lessons your child will be committed for the whole term and you must give half a term's notice if you wish your child to stop having lessons.
