## Coronavirus (COVID-19)

Llandoverly College continues to receive regular advice on appropriate measures to protect pupils and our whole community.

Following news of the Coronavirus outbreak, we continue to monitor the situation and are taking a dynamic approach to this complex and changing picture. Any changes to school policy will be emailed to parents and, as always, we will monitor the health and welfare of our pupils and will communicate any concerns immediately.

The following organisations have issued advice and offer the most up to date information about the virus and how schools should be dealing with it:

Public Health England (PHE)
