

Coleg Llanymddyfri  
Llandovery College

### Teacher of Mathematics (Secondary)

January 2022

**College Maths Teacher - Llandovery, Carmarthenshire**

**Job Type:** Full-time/ Maternity Cover

*A unique opportunity for an enthusiastic teacher of mathematics.*

#### About Us

Llandovery College is one of the leading independent educational establishments in Wales. Comprising a nursery school, prep school and senior school, our ethos is driven by pride, passion and performance. Our values are compassion, tolerance, kindness, integrity, generosity of spirit combined with a commitment to service and academic excellence.

The Maths department is dynamic and forward looking with an emphasis on continuing professional development of all staff. The post is an additional role within the department which reflects our increasing curriculum need.

The successful candidate will be an experienced Maths Teacher who will have the flexibility to teach across KS3, and 4, with the aim to help us to deliver exceptional learning experiences for all our senior pupils. The successful applicant will have a proven track record of delivering high quality lessons with excellent pupil outcomes.

Staff are expected to be committed to raising standards for all pupils and to be forward thinking and pro-active in identifying key trends, responding to the inherent changes required in the delivery of this subject area (mathematics). The successful applicant will report to the Mathematics Enterprise and Technology Faculty Lead.

#### What we can offer you:

As well as offering a competitive salary in line with Llandovery pay scales, staff concession on academic fees, pension, and the support of a dedicated and committed staff team, we can also offer you the opportunity to further develop your skills and talents with us. The role will require a hard-working, enthusiastic individual who will be able to easily fit into a friendly and supportive team of talented and committed teachers who are focused and well organised.

Interested?

If so, the **main duties for this role are:**

- To teach pupils according to their educational needs, including the setting and marking of differentiated work to be carried out by the pupil in the College and elsewhere.
- To be responsible to assess, record and report on the attendance, progress, development and attainment of pupils and to keep such records as are required.
- To provide, or contribute to, oral and written assessments, reports and references relating to individual pupils and groups of pupils.
- To ensure that ICT, literacy, numeracy and College subject specialism(s) are reflected in the teaching/learning experience of pupils.
- To ensure a high-quality learning experience for pupils which meets internal and external quality standards.
- To prepare pupils for qualifications and external examinations.
- To use a variety of delivery methods which will stimulate learning appropriate to pupil's needs and demands of the syllabus.
- To support the work of teaching assistants, trainee teachers and newly qualified teachers
- To maintain discipline in accordance with the College's procedures, and to encourage good practice with regard to punctuality, behaviour, standards of work and independent study.
- To mark, grade and give written/verbal and diagnostic feedback within the guidelines of the Mathematics department.
- To participate in departmental outings, meetings, parents' evenings and training events.
- To undergo observation and participate in regular in-service training (INSET).
- To contribute to the synergy between prep and senior schools.
- To participate enthusiastically in and further develop a flourishing co-curricular programme.
- To undertake pastoral duties, including tutor responsibilities.
- To support and encourage pupils on a group or individual basis as necessary.
- To adhere to Health, Safety and Security requirements.
