

From the day of its foundation in 1847, Llandoverly College has nurtured generations of pupils, who in their diverse walks of life, have gone on to shape Wales and the world with impressive distinction. As we prepare to celebrate the College's 175th anniversary in 2022-2023, now is opportune moment to launch the **Llandoverly College Heritage Appeal**. The funds raised will help preserve Llandoverly's rich and unique archival heritage for future generations of Llandoverians to question, explore, and enjoy.

It must be stressed that the task that lies ahead is a long-term project that requires a vast amount of enthusiasm and support. The work of the 'Llandoverly College Archives and Heritage Advisory Body' has secured the foundations, however their endeavours alone cannot bring to fruition the objectives of the project.

Please take a moment to examine the attached appeal plan that has been updated due to some technical issues.

<https://drive.google.com/file/d/1xo6zSOBR78H-3x-4TPtZvKAKDn4UTtNJ/view?usp=sharing>

Only with your help can the objectives of the appeal be achieved. Any support you can give will be greatly appreciated, and please spread the word and share this document amongst the community.

Thank you for your support
